

Hawk's Nest 200k Cuesheet Addendum

At mile 47.3 on Kimbles Rd, there is a bridge across the Lackawaxen River that is closed to automobile traffic, but when last checked, is passable by foot. However, the bridge is scheduled for demolition, and in the event it is not at all passable, use the following detour:

- 1) Backtrack to Rt 6 and turn right
- 2) Right at TFL to remain on Rt 6
- 3) Right on Rt 590 (after passing through the town of Hawley)
- 4) Bear right onto (unmarked?) Towpath Rd
- 5) After passing Kimbles Rd on right, you are back on course
